#### TELEPHONE INTERVIEW SUMMARY AND STATUS REQUEST

Commissioner for Patents  
Washington, D.C. 20231

Sir:

This paper is submitted to document the Telephone Interview between Examiner Perez and Applicant's undersigned attorney on August 23, 2001.

During the Telephone Interview, Applicant's Supplemental Amendment dated August 13, 2001, which crossed in the mail with the Examiner's Final Action dated August 14, 2001, were both discussed. The Section 112 rejection and substantive rejection over Kling were also discussed and it was pointed out that the magnetic poles 24, 25 of Kling, Figure 26, are not helical.

**Applicant:** Michael Dadd  
**Application No.:** 09/530,629

The Examiner indicated that the rejections in the Final Action dated August 14, 2001 had been overcome and that either a new Action or a Notice of Allowance would be forthcoming.

It was agreed that an Examiner's Amendment to claim 1 would be made to add the words -- at least one of -- before "the plurality of magnetic poles" at the beginning of line 7 of claim 1 as set forth in the August 13, 2001 Supplemental Amendment.

Applicant respectfully submits that this case, with the above noted Examiner's Amendment, is in condition for allowance. Further action and/or advice regarding the status of this application is respectfully requested.

Respectfully submitted,

Michael Dadd
